

## Summer 2024 Class 3 - What are we learning this term?

### Maths

#### Statistics

We are refreshing our understanding of how to draw, read and interpret line graphs, as well as deepening our understanding of bar charts, pie charts and averages.

#### Shape

In this unit, we will be looking at our understanding of angles, including how to measure angles and draw them and calculating with angles in a triangle and quadrilateral.

### English

#### Fiction: A mythological narrative

We will use Greek myths and the narrative *Who let the Gods out* by Maz Evans to write our own Greek myth-inspired narrative.

#### Non-Fiction: Writing a newspaper article

We will look at examples of local and national newspapers to build our understanding of writing in a journalistic style.

#### Poetry: Writing a Cinquain.

A cinquain is a 5 lined poem that follows a specific syllabic layout – we will choose a topic we enjoy and write several cinquains.

### Music

We will be exploring 3 different topics using our music curriculum - 'Race', 'Exploring identity through song' and 'Ame sau vala tara bal'. The children will focus on creating music to accompany a short film, exploring themes around identity, as well as aspects of lyric writing and expressive singing to convey mood and emotion.

### Meet the Team

Class 3 is led by Mrs Morton and a teaching assistant.  
PE is on a Wednesday afternoon.

### Christian Value for this term – Joy

#### Foundation subject focus

#### Art & Design – World Sculptures.

This term, we will be learning about famous sculptors and large-scale sculptures from around the world.

We will consider our enquiry question '**Why do people travel around the world to visit sculptures?**'

We will also be creating our own whole class large sculpture in a pottery workshop with the support of Naomi and Pepe.

We look forward to sharing our learning with you in our Art showcase towards the end of the summer term.

### Computing

#### Word Processing, Binary and Spreadsheets

In computing we will be learning how to use word processing and spreadsheets on Microsoft and Google. We will also be understanding what binary is and how it is used to represent data in all types of digital systems.

### RE

#### For Christians, what kind of King is Jesus?

In this unit we will be exploring the golden threads of Christianity and using this knowledge to answer big questions.

### PSHE

#### Relationships and Changing Me.

This term, we will be looking at how to take care of our mental health, online safety and online communities in our 'Relationships' unit. In our 'Changing Me' unit, we will learn about body image and puberty.

### Science

#### Evolution and inheritance:

We will be learning about how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

### French

#### Ma Famille (My Family)

We will be learning the vocabulary required to talk about our families in French and will have the knowledge and skills to make a presentation about their own / a fictitious family in both spoken and written form in French.

### Physical Education

Our PE sessions will take place on **Wednesday afternoons**. Please remember to wear appropriate clothing, including bringing water bottles, trainers and suitable clothing (jackets when cold).

### Homework

Homework will be given each Friday and is to be completed by the following Thursday. It will be set on Purple Mash. Children will have a maths, reading and spelling activity.
