Please note that your child cannot attend a club unless payment has been made on ParentPay as this is used as the booking system.

If you wish to pay by childcare voucher, please email the office as soon as possible so that a place can be reserved.

Once you have paid, your child is guaranteed a place in that club for that half-term. Clubs are allocated on a first come first served basis. Once a club is full, it will no longer show on ParentPay. If your child misses out on a club when the spaces have been filled, please email the admin office and your child put on the waiting list for the club the following half-term and they will then be offered the club first next time.

Could we please ask that children who book into cookery club bring an air tight container each week to take their cooking home with them to cut down on unnecessary waste with a foil container.

Kind regards

Mrs Lindley
