18th July 2022

Dear Parents/Carers,

Phew! It's a hot one! The weather is lovely and we're almost at the six-week summer holidays. This has been the first full year of education since 2018/19 and we are so proud of all our children and the effort and resilience they have shown over the last twelve months.

On behalf of all the staff at Chapel Haddlesey, we would like to thank parents and carers for all the support you have shown the school over the last year. It is very much appreciated, and we wish you all a lovely summer break.

We would like to wish our Year 6 children a fond farewell and all the very best for the next exciting chapter in their academic careers.

Summer Safety Talk

On Tuesday 12th July the children in KS2 were visited by our local Rural Police Community Support Officer Annie Newbould to talk to them about staying safe during the summer. The talk included water safety, road safety, playing out safely and that they should follow rules set by adults.

Change of date - Movie Night

Due to the weather warning in place on the pre-planned date, Miss Ducat and Mrs Bowmer are hosting the Summer Movie Night on **Thursday 21st July** for the children from Reception to Year 6. Pizza, crisps, ice lolly/choc ice and a drink will be provided. They have chosen the movie 'Encanto', which has a PG rating. If you sign up for your child by paying on ParentPay, we will take that as consent that you allow your child to watch the movie. The cost of the Summer Movie Night is £5 and is to be booked on ParentPay. Children attending will stay at school from 3.15pm to be collected at 5.30pm from the front door. Any children booked in to Out of School Club would join the movie night until collected. If you have paid for movie night and can no longer attend, please let the office know as soon as possible and a refund can be arranged.

School meal swap and a change of menu for this week

This week, we will be swapping the menu for Tuesday and Thursday over, so Tuesday 19th July will be home-made sausage roll and Thursday 21st July will be quorn tikka massala. On Wednesday 20th July the main menu will not be roast chicken, this has been replaced by quorn dippers. If you would like to change any of your child's choices on any of these days, please email the admin office.

Outstanding ParentPay debts

Across the federation, there is an agreed maximum debt per child, which is £30.00. This includes any nursery fees, school dinners and out of school club payments. **However, as we approach the end of this half-term, we politely ask that all balances are cleared before the summer break.** Thank you.

Behaviour Policy Update

We have updated our behaviour policy for Summer 2022, please familiarise yourself with it by visiting our website or via this link:- <https://www.chapelhaddleseyschool.org.uk/behaviour-policy>

Library books

Could we please ask that the Year 6 children return the library books that they have on loan before the end of the week.

Teddy bears' picnic

On Thursday 21st July the whole school is invited to a Teddy Bears' picnic. Children are invited to bring along their favourite bear and everyone will come together in the afternoon to enjoy some ice-cream and have some fun!

Final day water fun

Could we please ask that children wear full school uniform for the final day of term, but could everyone please bring a spare set of clothes as there are some water fun activities planned for the afternoon.

Young Voices is back!

As we cautiously get back to normal following the many lockdowns and restrictions, we have decided that we feel confident enough to sign up for Young Voices 2023. We have reserved a place for the federation to take 45 children to Sheffield Utilita Arena on Wednesday 4th January. Children in Key Stage 2 must sign up to the Young Voices after school club and attend each week to be able to attend the event. There are 15 places per school available, bookable as the after-school club, payable on ParentPay. Due to the increased cost of fuel, there will be an additional charge (not a voluntary contribution as this takes place outside of curriculum time) to attend the event to help towards the cost of the coach.

Cool Milk

All our nursery and EYFS children under 5 years old receive free school milk. The school registers them upon entry and they will receive it until their 5th birthday. If you would still like your child to continue to access milk at school after they turn 5, you can sign them up for around £16 per term on the Cool Milk website:- <https://www.coolmilk.com/parents/>

Applying for Free School Meals

With many families facing financial hardship as the cost of living increases, NYCC are doing all that they can to ensure that every family that is eligible to claim Free School Meals (FSM) for their child is benefiting from this additional help.

With this in mind they have made it easier for parents to apply for a free school meal.

The new application process means that all applications are now made electronically. In just a few simple steps and a matter of minutes parents will receive an instant decision on whether their application has been successful.

Please see our website for the updated application process:-

<https://www.chapelhaddleseyschool.org.uk/parents/school-meals-snacks/qualifying-free-school-meals>

Drinks in school

It is important that children please bring in a named water bottle daily, especially as the weather is warming up. These can be refilled throughout the day. Please only send in water and not juice etc, as this goes against our Healthy School's policy which can be found on the school website:

<https://www.chapelhaddleseyschool.org.uk/activities/healthy-schools>

Car Park reminder

When parking in the Community Hall car park we ask that all families reverse park into the spaces as this gives better visibility when moving around. Could we also ask that the reserved space for Miss Hannah is kept free on the days on the reserved board. The disabled bays should only be used by those with a disability badge or by a prior special arrangement with the school. Could pedestrians please use the footpath/grass verge to navigate your way around the car park.

Pupil absences

It is really important that you please make sure you telephone or email the school **before 9.15am** to notify us of any child absence, with a reason for their absence, even for Nursery children. on the first day of their absence, we also require a call on **each subsequent day** until they are well enough to be back. Equally, we ask if your child is unwell and you have called in school. If we don't receive any communication, by phone or email, we start our process of contacting all of the contacts allocated to your child and if we still haven't received any information,

the Children Missing in Education protocol is triggered. Thank you for your cooperation with this. Any covid absences should be emailed to the covid@wrfed.co.uk email address.

Medicines in school

If you require your child to have medicine administered during the course of a school day, please complete a 'Parental Request for Medicine in School' form, available from the School Office and the school website. We are not allowed to administer any medicine without this being completed fully and signed by a parent/carer and the Headteacher/Head of School. If your child requires a course of antibiotics for example, over a period of a few days, please ensure that the medicine is handed directly into the School Office each morning. Whilst we can administer Calpol (or similar Paracetamol-based medicines), we are not insured to administer any Ibuprofen medication sent in, unless this is prescribed by a doctor.

Attendance Matters!

Every Student, Every School, Every Day

Good attendance is linked to success in all aspects of life!

Summer activities and Clubs

Selby AVS have received funding from Cycling UK to run a Big Bike Revival programme to get beginners and lapsed cyclists back out on their bikes.

There programme consists of some free bike fixing events and a series of social bike rides.

The next rides are on Saturdays - 13 August, 10 September - but they may add more dates.

The free bike fixing events are on Tuesdays and include 26 July and 16 August.

The idea is people can bring their bikes for a safety check and we'll repair most things and recommend anything more serious.
