Parent Learning Opportunities

North East & Yorkshire

As part of the Autism Central programme, Daisy Chain provides a range of online learning opportunities covering a variety of topics to help support individuals and families.

These online sessions are free and open to families living in the North East and Yorkshire. Autism Central offers families and carers of autistic people high-quality and easily accessible autism education, training, and support through peer educators, alongside a dedicated website. Peer educators are autistic people, and parents and carers of autistic people, who have been trained to support other families. Daisy Chain Project hub is delivering Autism Central in the North East & Yorkshire NHS England region. www.autismcentral.org.uk
