### Newsletter 11

Dear Parents & Carers,

We hope everyone enjoyed the Easter holiday and is well rested ready for the summer term ahead.

#### Netball trip

On Thursday 14<sup>th</sup> March, nine pupils from Class 2 travelled with pupils from Barlow and Burton Salmon to join the other schools in the PE Cluster for a Hi-5 Netball event at Barkston Ash School. Each team played in three games. It was very competitive and team Haddlesey wowed Mrs Sykes with their enthusiasm and determination on the pitch. After losing the first two games, team Haddlesey ended on a high by beating Barlow 1-0. Well done to everyone who took part and to Teddy for scoring the winning goal! Our school came fourth place overall.

#### Easter round-up

A huge well done to everyone who entered the Easter competitions this year! Every year the entries are more imaginative, and it makes it very difficult to pick the winners. Thank you to Miss Maud for judging the competition entries this year.

Class 3 Interfaith Centre Visit – Wednesday, 20<sup>th</sup> March

The Federation Class 3 trip to the Interfaith Centre in Bradford was a fantastic experience for our pupils to take a tour around a Mosque and experience another culture and religion, face-to-face. During the visit, we were shown where and how people of the Muslim faith pray, including the Five Pillars of Islam and we experienced demonstrations of how people prepare themselves for prayer. We took part in an insightful discussion about the building itself. The children learnt why Muslims pray towards Mecca and we discussed why our guide was fasting at the point of our visit.

Noah B: When we went to the Mosque the people showed us around. The facts are very interesting, and they showed us the holy Quran. They let us act as the people who work there, and it was fun, now I know lots more.

Jake: First thing we did at the mosque was to take our shoes off. Next a nice man explained why people washed their body before praying. Next, he led us to the hall where all the Muslims pray and showed us how to pray.

Class 1 fundraising for World Wildlife Fund

Last term the Class 1 topic was 'Our World' and as part of this, they were looking at endangered animals in our local area and then around the world. They looked on the World Wildlife Fund (WWF) website and looked at animals that are endangered and why. When Mrs Hugill asked about what we could do to help these animals, the children suggested that we give money to charity and that we could do this by having a bun sale to raise money for WWF.

We all thought this was a fantastic suggestion by the children. So, on Wednesday 20th March, Class 1 held a bun sale with donations of buns from families. The were very excited and made posters during their discovery time. Thank you to everyone who helped to raise a fantastic £99.55!

### Uniform reminder

We would like to remind families that our school uniform consists of a navy cardigan, jumper, or tank top style jumper, white or navy-blue polo shirt or school shirt/blouse and grey or black school trousers, skirt, shorts or pinafore. In warmer weather a light or dark blue gingham check dress may be worn and a sensible school-style sandal with no heel. Black boots are acceptable in winter.

### Chapel Haddlesey Sports Day

We have selected the date for our Sports Day this year, Monday 20<sup>th</sup> May from 1.30pm; this is, of course weather dependent, so we have a back-up date of Monday 17<sup>th</sup> June from 1.30pm. All families are invited to come along and support the children. Nursery children who are not in session that day are invited to come along with their parents and join us for the Nursery events.

We have added dates to the diary for a Federation Sports Day for KS2 children at Barlow Primary School (and a reserve date). This is for information only as there will be no spectators for this inter-school event.

## Selby Youth Activities

Beki Bulmer from FEAST North Yorkshire has asked if we could share the survey link below with as many young people as possible. North Yorkshire Council is keen to understand what activities are available to young people in their local communities and also to find out what young people think are the barriers for attending groups and activities. The survey should take around 5 minutes to complete.

## Teddy's Poem 'Green Zone'

Class 2 enjoyed learning about the zones of regulation. Teddy H-D said 'I like the green zone and wanted to write an acrostic poem. I hope you enjoy my poem :-

*Good for you  
Right choices  
Every day zone  
Never go out of the green zone  
Zone to be in is green  
Officially the best zone to be in  
Not everybody is in the green zone  
Everybody is in the green zone shout hooray*

## Crufts entry

Felicity in Class 2 showed her dog in Crufts this year. This is what she had to say about her experience:

*"It took lots of effort to get in, especially with a big dog. Her name is Havana, she is two years old and is a standard poodle. It isn't about winning, it's about having fun. I wouldn't have been able to do it without my mum who took me and my nana who got me into showing. I have lots of 'firsts', but it doesn't mean I can do everything, there is always something to improve. When I got there, I was nervous, and I got really nervous when I went in the ring. I was at the back of the line so when it was my turn it was nerve-wracking, and I didn't hit the corners properly, but I showed her fine. It was all about having fun! It was a nightmare to get out at then end, but we made it eventually!"*

## NSPCC Speak Out. Stay Safe

I am pleased to inform you that we are participating in the **NSPCC's Speak out. Stay safe. Programme** this term. *Speak out. Stay safe.* is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which we have reviewed, alongside NSPCC volunteer led face to face workshops for children aged 6-7 and 9-11. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy. If you would like to know more about the *Speak out. Stay safe.* programme visit [www.nspcc.org.uk/speakout](http://www.nspcc.org.uk/speakout).
