Newsletter 15

Dear Parents & Carers,

We are very happy to share the photos of our long-awaited outdoor area improvements with everyone. The children have had lots of fun on the re-sited play equipment and the new grass mound looks lush and green. There are more plans in the pipeline for a Forest School area, which we will share with you in due course.

The challenge will now be to keep the turf alive in all this heat!

Sculptor Visit

Andrian Melka is a British-Albanian sculptor based in York. He came to visit school, along with his wife Ruth, to talk to the children about how he became an artist and what being an artist is like. He spoke about his life growing up in Albania and how they had no paints, so he chose to draw instead around the age of 7-8. He talked to the children about the different types of materials used in sculpture work: marble, bronze, and clay being the three that he talked about most. He showed children a selection of tools used for sculpture work and explained how each one is used. Andrian discussed artists that influence his work, including Micheal Angelo saying that the work of the great artist inspired his love of working with marble.

Andrian brought two sculptures with him to show the children, - one called Iana Selenka. Class 2 children have spent the last 3 weeks studying the sculptures of Melka as part of their learning in art. They have sketched some of his sculptures and evaluated others. A particular favourite was Iana Selenka, so the children were excited to see that Andrian brought a replica of this to school as it allowed them to see the finer details and appreciate the amount of work needed to create such a wonderful sculpture.

Andrian and Ruth were great at answering the questions posed and giving children inside information such as how to create sculptures that rest on one foot, describing how to balance these correctly and the support structures needed to allow them to remain upright.

We would like to thank Andrian and Ruth for giving their time and for opening up a world of artistic possibilities.

You can check out Andrian's website to see his other work:- [Figurative Sculpture | Melka Sculpture | York](#)

CANCELLED

After School Curriculum Clubs – final week

After adding lots of exciting events to our calendar for the final week of school that run into after school time, we will unfortunately have to cancel some of our curriculum clubs. Cookery Club on Monday, Gardening Club on Tuesday and Lego Club on Thursday. Money paid for the clubs will be transferred to lunch

accounts/wrap around care.

Rounders Club on Wednesday will still run as normal.

Art Showcase

We would like to invite families to join us on Monday 15th July for our Art Showcase. The children have some fantastic artwork to share with you and we are very proud to be able to host this lovely event once again. Children may bring in clothes to dress up for the event. Please collect children at 3.15pm as usual, then line-up to re-enter for the Art Showcase from 3.30pm - this is so that we can regulate the flow of people onsite and ensure that children in OOSC are in the correct designated area before opening the school up again.

FEAST – Activity Finder

Families who are eligible for FEAST vouchers should already have an email with their codes; please let the school office know if you do not have one. Please visit our website for more information of activities available to everyone:- [FEAST Activities | Chapel Haddlesey CE Primary School \(chapelhaddleseyschool.org.uk\)](#)

PE - Important Notice

We have received updated guidance from NYC about the wearing of jewellery in PE, swimming, and PE-based after-school clubs. All jewellery including watches, bracelets and earrings MUST either be removed at home before coming into school or before the activity starts by the child themselves in school.

The National guidance has always been that no jewellery should be worn in PE and that includes swimming and physical activity. It is not safe to cover earrings/studs/sleepers with tape. The reason is both because of the potential tearing of the ear lobe, but also the chance that the post of the earring could damage the neck which is where the brachial nerve is running directly to the brain. There have been cases of children wearing earrings/studs with plasters over being hit by a ball or coming off worse in a collision and having nasty injuries as a consequence.

The school has the higher-level duty of care and cannot be put in the situation of looking after their child without exercising that duty of care, as dictated by national guidance. Our Uniform policies will be updated to reflect this national guidance.

PTA Summer Fair – Friday 12th July - **We need your help!**

Could we please ask for parent volunteers to help run the stalls and the bouncy castle at the Summer Fair. We would like to have enough volunteers to be able to set up a rota so that everyone gets a chance to spend time with their children and enjoy the event as well as helping to make sure the event runs smoothly. Please speak to a member of the PTA or email chapelhaddleseypta@gmail.com to sign up.

A reminder that if you will not be attending the event and you do not want your child to have their face painted, please email the admin office by Wednesday 10th July to ensure they do not take part.

We would like to invite families to bring their own camping chairs or picnic rugs to enjoy the event.

Could we please ask for donations of cakes and buns for the event, to be brought into school by Thursday 11th July.

Raffle

Payment for raffle tickets is to be paid on ParentPay. Don't forget to return your raffle tickets, ensuring you write your name on the back of each individual ticket. Additional raffle tickets will be on sale at the Summer Fair. There are some fantastic prizes, tickets are £2.50 each or £10 for a strip of 5 numbers. The raffle will be drawn at the re-arranged Year 6 Leavers' Assembly on Thursday 18th July.

Drinks in school

Now that we will hopefully see some warmer days, it is important that children please bring in a named water bottle daily. These can be refilled throughout the day at our plumbed-in water station. Please only send in water (in a plastic drinks bottle – not glass).

ParentPay

Please can parents and carers check your ParentPay balances and ensure that any outstanding amounts are paid. Across the federation, there is an agreed maximum debt per child, which is £30.00. This includes any nursery fees, school dinners, after-school clubs and out of school club payments. As we approach the end of the academic year could we please ask that all accounts are paid up in the final week.

Term dates for upcoming academic years

Please see our website for the term dates for 2024/2025 and 2025/2026.
