Newsletter 8

Dear Parents & Carers,

We would like to say a huge Haddlesey welcome to Katy in Class 2 who joined us this week. And a big welcome to Mrs Wood who has joined our Class 1 team as a Teaching Assistant.

You may see another new face in Class 1, Mrs Newton the Early Years Lead for the federation, as she will be on site some days working alongside our Class 1 team.

Disabled Parking Bays

Could we please ask that only those with blue badges or a school parking permit use the disabled bays and that everyone eligible displays their permit clearly in the windscreen of their vehicle. There are more cars than ever needing to use the spaces, so please consider waiting in a different area until a space becomes free, then come to collect your child. We would rather you arrive a little later, than compromise your or your child's safety.

Orienteering

On Thursday 25th January 15 children from Class 3 took part in an Orienteering Festival at Burton Salmon. They joined together with the children from the newly formed sports cluster to take part in the event.

The children were split into teams and given a map and they had to follow the clues to identify a word or picture. They were encouraged to work together and improve their map-reading skills, although not all the clues were on the map. There was an opportunity for them to mix with their peers from the other schools. It was a lovely afternoon spent outdoors.

Annabel said: "Orienteering was like a giant Easter Egg hunt, but it was not for eggs, it was to find numbers, letters and pictures. You had to see what was common in each."

Heather said: "Orienteering is like a treasure hunt. You have to find clues around a certain area, and it will give you a number, a word or a picture."

Cookery Club

This week in Cookery Club the children made their own chicken nuggets and chips. It worked well as a production line as the children went through the process of coating the chicken in flour, then egg, followed by cornflakes. The nuggets were baked for around 15 minutes and the chips were diced and cooked for 40 minutes. The nuggets and chips were served in a cone, chip-shop style. Everyone enjoyed cooking and eating them!

Internet Safety Week in school – Monday 5th February to Friday 9th February

With our focus week on Internet Safety coming up and Safer Internet Day on Tuesday 6th February, we wanted to remind you that our school website has lots of useful information for parents and carers regarding internet safety. We subscribe to an online safety newsletter which gets added to the site regularly, along with articles from National Online Safety on ‘**Top Tips,**’ for managing screentime, how to set up parental controls on devices, smartphone security, advice for safe online gaming and lots more. Please visit our ‘Online Safety for Parents’ website page for more information:

[Online Safety for Parents | Chapel Haddlesey CE Primary School \(chapelhaddleseyschool.org.uk\)](https://www.chapelhaddleseyschool.org.uk/online-safety-for-parents)

PCSO Joe Spooner will be visiting us again on Friday 9th February, as part of his talks around our federation and we will also have an exciting visit from the Police Cyber Security Van team, later in the year. Linked to this, we have an updated Privacy Notice for January 2024, which states how your personal information is collected and processed within our federation and what your personal data rights are:

Chinese New Year – Change of lunch Thursday 8th February

The Chinese New Year starts on Saturday 10th February, it’s the Year of the Dragon. We will be celebrating with a lunch of **Quorn Nuggets with rice and sweet and sour dipping sauce followed by pineapple cake.**

This will be the main meal on this day not the BBQ chicken and potato wedges. Anyone who is down for a main meal will automatically be given this option. Please let the office know by the end of Friday 2nd February if your child would like to choose this (if they would normally have a packed lunch from home or a jacket potato).

Information from Sam Maud – Federation Pastoral Lead

We hope this message finds you well and filled with excitement for the start of 2024. We trust you had an enjoyable and restful break filled with special moments and cherished memories.

Our commitment to providing a supportive and engaging environment remains, and we are keen to work closely with families to make this year an enriching experience for each child. We will continue to work in partnership with parents as we believe open communication and collaboration between home and school is essential for success.

Throughout the year we will continue to focus on fostering a sense of belonging, promoting positive relationships, and nurturing the well-being of all.

Why does attendance matter? Consistent attendance is a key factor in pupil success. It not only ensures the children receive the support they need but also contributes to the development of crucial life skills. We aim to achieve a whole school percentage of 97%.

ATTENDANCE MATTERS

If your child or family would like any support, please speak directly to your child's class teacher, or email the admin team who will direct you to the Federation Pastoral Team.

Good attendance is linked to success in all aspects of life!

Whole school attendance target is: 97%

This fortnight whole school attendance was 83.69%

Class	Percentage
Class 1	76.93%
Class 2	88.65%
Class 3	87.20%

There were 41 children in the 100% club for this fortnight.

Yours sincerely,

Mrs Lindley

Deputy Headteacher
