

# Family Fund

Helping disabled children

We provide  
grants!

Helping families raising disabled or seriously  
ill children and young people across the UK

[www.familyfund.org.uk](http://www.familyfund.org.uk)

## Making life easier

Family Fund supports families raising disabled or seriously ill children and young people with grants for essential items, giving individual families choice and control over what will benefit them the most. We provide grants for items such as computers and tablets, sensory toys, family breaks, outdoor play equipment, furniture and kitchen appliances. These help make families lives easier, improve their quality of life and remove some of the daily barriers they face.

In addition to our financial grant support, we also offer vital information and signpost to other services available to families locally, regionally and nationally.

## Get in touch

If you have a question, please visit our website and click on [Contact Us](#) to send us a message. If you don't have access to the internet, you can call us on **01904 550055**

Or write to us at:

Family Fund, 4 Alpha Court,  
Monks Cross Drive,  
York YO32 9WN

## Let us come to you

Are you part of a group or organisation who would like to hear more about us? Get in touch with our team who can arrange a meeting or presentation to explain more about what we do and how we help.

Email us at

[comms@familyfund.org.uk](mailto:comms@familyfund.org.uk).

## Can we help you?

We help families on low incomes raising a disabled or seriously ill child or young person aged up to 17 years old. Young people who are 16 or 17 can apply for a grant themselves. Each household can apply once every 12 months (subject to funding).

Visit our website for details on our [eligibility criteria](#) and [how to apply today!](#)

## Tell someone about us

Whilst we help many families across the UK, there are many more that need our support. Help us spread the word about our grants and services by telling others who are raising disabled or seriously ill children and young people about us.

## Help us help others

There are many ways for you to make a huge difference. [Visit our website](#) for information on how you can support us by volunteering or fundraising to help deliver essential support to families raising disabled or seriously ill children and young people.

"We can't afford a break on one salary, so the grants from Family Fund have given us the chance to get away together and have a change of scene. We can experience new things as a family and make new memories. It's really important to have something to look forward to, and Family Fund gives us that."

"The grant for the sensory toys has made a massive difference to us as a family, especially to Meghan's development. Specialised toys are so expensive and we would never be able to afford them. Meghan doesn't understand mainstream toys as her play ability is so limited due to her condition, and they aren't made robustly enough for her as she chews everything."

"The grant means that the garden is now a safe environment for both of us. It means so much that I can sit in the garden and Leon can enjoy playing with his toys, rather than having to cut the time short because Leon is climbing over the short fence and into the garden next door."
