12th February 2021

Dear Parents/Carers

This half-term has been another challenging one with lockdown learning, adverse weather and the closure of a bubble in school, but pupils and staff have risen to the challenges and always amaze us with their resilience. All of our staff appreciate the difficulties which ensue with working and home schooling under the current restrictive practices that we must all endure. We acknowledge that you are all doing a fantastic job, working with us to educate our children together. If you need any advice regarding your child's learning, please contact your child's Class Teacher through Seesaw, or Tapestry for Early Years children. If you need any assistance with log in details or passwords, please contact the admin office. We hope that the half term break will be restful for everyone and will have us ready for the remainder of the Spring Term. We will of course all be waiting for the all-important update from the Prime Minister regarding confirmation of the date that all children can be back in school and we will update you as soon as we have any news.

Class 2 Update

As Mrs Morton is in her third trimester, she needs to remain extra vigilant regarding the risk of Covid. We have trialled her teaching from home, with Ms Lamb, Miss Langhorn and Mr Jones delivering Mrs Morton's set learning to the children in the classroom. This has been successful and this will continue until we return to school once lockdown has finished, which the government have currently advised to be the 8th March.

We will update you with more information regarding the Class 2 maternity position once we have appointed the successful candidate at the beginning of March.

Bookings

Please contact Mrs Charlton by email, or phone if you are a critical worker or you or your child(ren) are vulnerable and you would like to book a place in school for your child(ren) over the coming weeks. You do not need to book children in again for after half term if they are already accessing school as we will carry the provision forward. Before you make a decision whether or not to send your child(ren) to school, please follow the local information regarding Covid levels near the school, inputting the school postcode YO8 8QF on the following link :-

<https://coronavirus.data.gov.uk/>

Please note that places are allocated, according to individual circumstances, eligibility and/or vulnerability of parents and/or children and they are offered at the discretion of Mrs MacDonald and Mrs Lindley.

Snow fun in school

The children in school made the most of the snow this week and produced some lovely snowmen. We had a substantial amount of ice on our sandpit that the children enjoyed breaking up and exploring the patterns within it.

Live World Book Day Event Week

Scholastic are hosting a whole week of live events for World Book Day. With interactive activities and stories read by famous authors, there is something for everyone! There are four daily sessions lasting around 30 minutes each for a range of age groups. To get the full experience, we recommend parents register for each event themselves at the website below. Their children will then be able to join from home and participate in the event by asking questions and answering polls. Click the **Register** button on each event you'd like to attend and you will be directed to a Crowdcast event page. Please enter the password **clubsandfairs** and then enter your email address to save your spot – you will then receive an email confirmation.

Please note, you will need to save your spot at each event separately.
