Dear Parent and Carers

As we have come to the end of another exceptional year of change and uncertainty, we would like to thank all the pupils and families for their support. The children have had a great year and continue to amaze us with their resilience. We hope everyone has a fantastic summer break and we look forward to doing it all again in September.

It is with great sadness that we have to say goodbye to Mrs Page. Our wonderful cook became part of the Haddlesey family in January 2014. It was very clear from the start that Mrs Page was a hit with the children as her meals soon became very popular – as you know, Mrs Page’s chicken korma is legendary! During lockdown, Mrs Page continued to inspire our children with great food with her YouTube videos of her favourite recipes. Everyone will miss Mrs Page, not just for her fabulous cooking, but for her lovely smile and the care she puts into serving the children and ensuring all their little quirks are catered for. Good luck in your new job Mrs Page, they are very lucky to have you!

We would also like to say farewell to Mrs Olot, who stepped in to Class 2 to cover Mrs Morton’s maternity leave in April this year. Mrs Olot has enriched the children’s knowledge of Africa and her humour and wealth of experience will be missed by all. The children wowed Mrs Olot with their African art this week

and she said she was very proud of each and every one of them. We wish Mrs Olot well in her new role as Deputy Head in a school in Morocco.

### Young Voices 2022

We have made the decision, as a federation, not to participate in Young Voices in 2022. As Covid cases are still prevalent among children, and not knowing how this will change in the coming months, we felt that it would be better not to build up their hopes and put in lots of practice if the event was then cancelled. We hope to be confident enough to participate in 2023!

### Pastoral support

I'd like to draw your attention back to the information on our website, which identifies what to do if you're worried about your child. There is a self-referral process that families can follow at any time during the year, irrespective of whether schools are open or closed. If you have any concerns, please do follow this process to access support. The link is attached below.

Mrs Thornton has put together a comprehensive list of help that is available over the summer holidays, available on our website: -

### NYCC Early Help Virtual Offer – Summer Holiday 2021

NYCC are pleased to be able to share with you a new programme of virtual sessions and courses. The sessions, facilitated by the Children and Family Support Workers (CFSW's), have been designed to be versatile and can be delivered virtually on a 1:2:1 basis with families or in a group-based situation.

If you know of, or are supporting, a child, young person or family who would benefit from attending one or more of these sessions, please book directly onto the course by ringing the area number or emailing the local Hub as detailed on the link on our website: -

Outstanding ParentPay debts

Could we please ask that all outstanding ParentPay items for this academic year are cleared by the end of July. This includes any nursery fees, school dinners and out of school club payments.

Yours sincerely

Mrs Lindley  
Head of School
