23rd April 2021

Welcome back to all of our families at the start of the new term and we hope that you all had a restful Easter and the children are prepared and looking forward to the busy and exciting term of learning and exploration ahead. It is fantastic to see and hear our children playing outdoors together now that the sun is shining and the weather is starting to improve.

Baby news

We are delighted to be able to share the wonderful news that Mrs Morton safely delivered baby Thomas on Monday 29th March. Rose and Teddy are thrilled to have a little brother and Mrs Morton is cherishing every moment as Thomas is changing every day. We wish them well and look forward to meeting him when restrictions allow.

Pick up time

From Monday 26th April we request that pick-up time for the whole school is now from **3.05pm to 3.15pm**; as the restrictions ease and people are allowed to meet up outdoors, the need to stagger finish times can be reduced. Social distancing should still be adhered to and masks should still be worn on the school site. Can we please take this opportunity to reassure you that the children in school remain engaged in learning during the extended pick-up time.

Global Neighbours

Our school has adopted the Global Neighbours framework which drives our curriculum planning to develop pupil thinking for global citizenship education in schools.

It supports us to expand our ideas for curriculum and collective worship activities, weaving a global perspective into our current curriculum provision and encouraging our children to become active global citizens. The framework aims to increase pupils' understanding of the root causes of poverty and injustice, as well as engage and empower pupils as agents

of change in the transformation of our world. Participation in the framework has helped to build upon the Spiritual, Moral, Social and Cultural (SMSC) development of pupils, strengthen the 'promotion of fundamental British values', promote critical thinking across the curriculum, and strengthen links with the local community. Global Neighbours can also enhance Religious Education provision in schools by increasing pupils' knowledge and understanding about why and how Christians, along with people of other faiths and those of no faith, want to change the world to one where everyone can live a full life, free from poverty.

If you would like to find out more information about the scheme, please click on the link below.

<https://www.christianaid.org.uk/get-involved/schools/global-neighbours-accreditation-scheme>

Open door policy

Despite the current situation and restrictions with Covid, we would like to remind you that we have an open door policy. If you have any concerns or issues and you would like to speak to your child's teacher, please ring the school office or send an email to admin.chapel@wrfed.co.uk and an appointment can be arranged.

Packed lunch reminder

Could we please remind those families that send a packed lunch to school to refer to the food policy on our website following the link below. There is an increase in the amount of chocolate and snack items currently in the packed lunches we see on a daily basis.

School Photographs

Phototronics will be in school on Tuesday 27th April to take individual, class, reception and Year 6 group photos. Unfortunately, due to current restrictions, we are unable to offer sibling photos this year. Please ensure your child is wearing full school uniform on the day, and no trainers, hoodies or extravagant hair bows etc.

Sunscreen permission

We have issued a sunscreen permission letter this week, please make sure you have sent a return slip to school to ensure we can keep children protected in the summer months.

Wrap around care

Our Breakfast Club and Out of School Club are still open for everyone to use. You may drop in any day to breakfast club from 7.45am, but please contact the school office to make bookings for Out of School Club giving an expected pick up time. As children are offered food at Out of School Club depending on the time they are due to leave school, it is difficult to manage without an expected pick up time. We are only able to offer the wrap around care with the continued support from families to keep the provision viable.

CHAPS

We have had very little interest from families regarding the shout out for new families to join CHAPS. Please do not be put off joining by the current restrictions, we are putting interested families in touch with the CHAPS committee who will be able to start to plan events again as restrictions ease.

Pupil absences

It is really important that you please make sure you telephone or email the school before 9.15am to notify us of any child absence, with a reason for their absence. Equally, we ask if your child is unwell and you have called on the first day of their absence, we also require a call on each subsequent day until they are well enough to be back in school. If we don't receive any communication, by phone or email, we start our process of contacting all of the contacts allocated to your child and if we still haven't received any information, the Children Missing in Education protocol is triggered. Thank you for your cooperation with this.

Medicines in school

If you require your child to have medicine administered during the course of a school day, please complete a 'Parental Request for Medicine in School' form, available from the School Office and the school website. We are not allowed to administer any medicine without this being completed fully and signed by a parent/carer and the Headteacher/Head of School. If your child requires a course of antibiotics for example, over a period of a few days, please ensure that the medicine is handed directly in to the School Office each morning. Whilst we can administer Calpol (or similar Paracetamol-based medicines), we are not insured to administer any Ibuprofen medication sent in, unless this is prescribed by a doctor.

Yours sincerely

Mrs Lindley
Head of School
