18th May 2022

Dear Parents/Carers,

We are so proud of all our Year 6 children that put their all into their SATs tests last week. The behaviour and conduct of our Year 6 pupils were commended when we had an official monitoring visit on Wednesday to oversee that we are following procedures with SATs. The moderator was on site for the whole morning and was impressed with the processes in place, headed up by Mrs Lindley. After the final paper, the whole school lined up outside to give them all a big clap and a cheer and on Friday they were all invited to enjoy a complimentary cooked breakfast to celebrate getting through the week.

Class 1 History

This term Class 1 have been looking into the moon landing and decided to create their own space rocket! Everyone worked collaboratively to create the shiny rocket, that even had the controls and switches drawn on the interior. It was big enough for them to jump inside and imagine how it would feel to be inside the real thing.

Class 1 then moved on to learning about what it was like to live in the 1920's. They looked at what people wore, what they ate, what homes were like and how they lived. The children looked at the different ways of writing used in the 1920's; they used the chalk board outside, made their own nib pens using sharpened sticks and their own ink, used paint brushes and home-made brushes to draw outdoors with water.

Class 1 thank you

Miss Northway would like to say a huge thank you for the donation of wood and screws/nails for the upcoming DT project.

Jubilee celebration

The school will be celebrating the Queens Platinum Jubilee on Friday 27th May with a picnic lunch instead of the usual lunch menu. We plan to host a picnic with all the children coming together on the field followed by fun and party games. If your child normally has a school meal that day, we will provide them with a school picnic lunch, please let Mrs Charlton know if you would prefer to send your child with a packed lunch for that day.

Sports Day

An invite to families to attend Sports Day was emailed home last week. Please visit our website if you have not yet read the letter.

<https://www.chapelhaddleseyschool.org.uk/letters-parents-carers/2022/sports-day-2022>

Non-Uniform Day

Following their recent visit to school, the School Council have chosen to fundraise for The Blue Cross on the next non-uniform day, held on Friday 27th May. The payment item of a £1 donation has been set up on ParentPay.

Wrap around care

Our Breakfast Club is available from 7.45am. Please note that although staff may be on site prior to this, they are preparing the provision and are not to accept children into school until breakfast club officially starts. Could we please ask that when you make a booking for Out of School Club that you give an estimated collection time so that the OOSC leader knows if they are to provide food at 4.30pm for your child if they are staying beyond then. A reminder that the sessions are charged in increments; the first session ends at 4.25pm, then 5.00pm, 5.15pm and the latest collection is 5.30pm. All bookings for 5.30pm should be made in advance via the school office. We ask that if you are unable to collect at the pre-arranged time that you ring the school to inform the OOSC leader of the delay. Please ring 01757 270282 and select option 2 to be connected to OOSC.

Drinks in school

It is important that children please bring in a named water bottle daily, especially as the weather is warming up. These can be refilled throughout the day. Please only send in water and not juice etc, as this goes against our Healthy School's policy which can be found on the school website: <https://www.chapelhaddleseyschool.org.uk/activities/healthy-schools>

ParentPay

Across the federation, there is an agreed maximum debt per child, which is **£30.00**. This includes any nursery fees, school dinners and out of school club payments. Please always keep an eye on your child's account and make payment as soon as possible.

Why not use ParentPay Auto Top-up?

Auto top up assists parents and carers in ensuring their child's school meal balance is always in credit. It does so by allowing you to set a minimum balance which, when breached automatically credits your child's meal balance by a fixed amount using a balance transfer payment. In order to use auto top-up, you are required to set up the bank transfer facility detailed below on your ParentPay account. As soon as this is authorised and completed by your bank, you will be able to use the auto top-up facility. For further information visit www.parentpay.com/bank-transfer-and-auto-top-up/

Car Park reminder

When parking in the Community Hall car park we ask that all families reverse park into the spaces as this gives better visibility when moving around. Could we also ask that the reserved space for Miss Hannah is kept free on the days on the reserved board. The disabled bays should only be used by those with a disability badge or by a prior special arrangement with the school. Could pedestrians please use the footpath/grass verge to navigate your way around the car park.

Pupil absences It is really important that you please make sure you telephone or email the school **before 9.15am** to notify us of any child absence, with a reason for their absence, even for Nursery children. on the first day of their absence, we also require a call on **each subsequent day** until they are well enough to be back Equally, we ask if your child is unwell and you have called in school. If we don't receive any communication, by phone or email, we start our process of contacting all of the contacts allocated to your child and if we still haven't received any information, the Children Missing in Education protocol is triggered. Thank you for your cooperation with this. Any covid absences should be emailed to the covid@wrfed.co.uk email address.

Medicines in school

If you require your child to have medicine administered during the course of a school day, please complete a 'Parental Request for Medicine in School' form, available from the School Office and the school website. We are not allowed to administer any medicine without this being completed fully and signed by a parent/carer and the Headteacher/Head of School. If your child requires a course of antibiotics for example, over a period of a few days, please ensure that the medicine is handed directly into the School Office each morning. Whilst we can administer Calpol (or similar Paracetamol-based medicines), we are not insured to administer any Ibuprofen medication sent in, unless this is prescribed by a doctor.

Pastoral Support

Family Fund support families raising disabled or seriously ill children and young people.

One of the grants they give is for an electronic device such as an iPad, and to compliment this they offer free training which is delivered in partnership with an Apple accredited expert.

If you feel your child qualifies please apply! We will be hosting the free training before the summer holidays. If you already have an I-pad for your child you can also attend.

Family Fund is a UK based registered charity for disabled children and their families. The Chief Executive of this charity is Cheryl Ward. Formed in 1973 by the UK Government to give practical help to families with severely disabled and seriously ill children under the age of 18

To apply go to the following website: <https://www.familyfund.org.uk/>

More information to follow.

★ EHCAR Workshop for Parents and Carers ★

We are hosting two EHCAR workshops in June for parents and carers. In these sessions we will be talking about the EHCAR process, how to fill in the relevant paperwork, timescales and sections of the EHCP, as well as answering some of your questions.

If you would like to attend one of these sessions, please email Alice alice.atkinson@sendiassnorthyorks.org

EHCAR
workshop
for Parents and Carers
Wednesday 8th June at 10:30am
Hosted via MS Teams
In this session we will cover the EHCAR process and answer your questions.

Family Matters are hosting training under the

umbrella 'Time Out For Parents', for the range of courses, please visit our website:

<https://www.chapelhaddleseyschool.org.uk/parents/pastoral-support/wellbeing-support-and-resources>

Attendance Matters!

Every Student, Every School, Every Day

Good attendance is linked to success in all aspects of life!

Whole school attendance target is: 97%

This fortnight whole school attendance was: 95.37%

Class	Percentage
Class 1	92.51%
Class 2	97.70%
Class 3	96.36%

There were 61 children in the 100% club for this fortnight.

How can I support good attendance?

There is support if you are finding school attendance a problem, if your child is anxious or worried about going to school please do ask for help.

Every child is entitled to additional support from the school to help them engage with learning, as a Federation we have a Pastoral team that can support you as a family to achieve this. Some children may find regular support helps to improve school attendance.

Attendance top tips

- Figure out the reasons for absence as this can help you understand where your child needs support in overcoming barriers to attending school
- Try to establish a good routine early so that when your child does start school they are in good habits such as getting plenty of sleep
- If appointments are needed for health reasons, try to make them during after school hours or out of term time where possible
- Offer support with homework and take an interest in their learning
- Attend parents' evenings to discuss your child's progress
- Take trips during school holidays rather than term time
- Don't allow your child to stay off school for a minor ailment
- Ensure your child has a good understanding of why attendance is important
