5th July 2022

Dear Parents/Carers,

Leavers' Assembly

Thank you to everyone who joined us for the Leavers' Assembly yesterday and to the families of the Year 6 children for covertly providing the photos and the lovely blurbs about the children. There were some fantastic memories shared and it was an emotional afternoon for all involved. We wish them all the very best for their new adventures in high school.

Movie Night

Miss Ducat and Mrs Bowmer would like to host a Summer Movie Night on Tuesday 19th July for the children from Reception to Year 6. Pizza, crisps, ice lolly/choc ice and a drink will be provided. They have chosen the movie Encanto, which has a PG rating. If you sign up for your child by paying on ParentPay, we will take that as consent that you allow your child to watch the movie. The cost of the Summer Movie Night is £5 and is to be booked on ParentPay. Children would stay at school from 3.15pm to be collected at 5.30pm from the front door. Any children booked in to Out of School Club would join the movie night until collected.

Moon Rocks

Moon Rocks Just before half-term we were lucky enough to have on loan a very interesting case full of Moon rocks (yes rocks from the Moon)! The rocks were on loan from the Science and Technology Federation Council (STFD); the children were able to handle the rocks and carried out several activities relating to them. The rocks varied in size, shape and construction and the children were amazed that they could actually handle them, albeit very gently!

School Meal Swap

In the final week of school we will be swapping the menu for Tuesday and Thursday over, so Tuesday 19th July will be home-made sausage roll and Thursday 21st July will be quorn tikka massala. As there is no change to the weekly menu, it is only for information for those in packed lunch on either of those days to make the swap.

Keep A Child Warm Charity Coat Collection

In the past we have supported this worthy charity and have once again been asked to help. They are in need of warm winter coats of various ages. Anything from age 3+ all the way up to adult sizes. They ask for good quality coats (meaning no broken zips and things like that) to ensure what they give will be of use. This year the coats will be going to help children from Ukraine and Moldova specifically. The winter will be tough and this will be a relief to them. Please bring any coats into school on Monday 11th July or Tuesday 12th July, ready to be collected on the morning of Wednesday 13th July.

Cool Milk

All our nursery and EYFS children under 5 years old receive free school milk. The school registers them upon entry and they will receive it until their 5th birthday. If you would still like your child to continue to access milk at school after they turn 5, you can sign them up for around £16 per term on the Cool Milk website:- <https://www.coolmilk.com/parents/>

Applying for Free School Meals

With many families facing financial hardship as the cost of living increases, NYCC are doing all that they can to ensure that every family that is eligible to claim Free School Meals (FSM) for their child is benefiting from this additional help.

With this in mind they have made it easier for parents to apply for a free school meal.

The new application process means that all applications are now made electronically. In just a few simple steps and a matter of minutes parents will receive an instant decision on whether their application has been successful.

Please see our website for the updated application process:-

<https://www.chapelhaddleseyschool.org.uk/parents/school-meals-snacks/qualifying-free-school-meals>

Drinks in school

It is important that children please bring in a named water bottle daily, especially as the weather is warming up. These can be refilled throughout the day. Please only send in water and not juice etc, as this goes against our Healthy School's policy which can be found on the school website: <https://www.chapelhaddleseyschool.org.uk/activities/healthy-schools>

Used uniform sales

We are always happy to accept donations of good condition, outgrown uniform. Mrs Thornton had pre-loved uniform on sale at her last coffee morning and is planning to host more in the future. We only ask that a monetary donation be made on ParentPay if you are able to. A payment item has been set up on ParentPay for everyone for this eventuality.

ParentPay

Across the federation, there is an agreed maximum debt per child, which is **£30.00**. This includes any nursery fees, school dinners and out of school club payments. Please always keep an eye on your child's account and make payment as soon as possible.

Why not use ParentPay Auto Top-up?

Auto top up assists parents and carers in ensuring their child's school meal balance is always in credit. It does so by allowing you to set a minimum balance which, when breached automatically credits your child's meal balance by a fixed amount using a balance transfer payment. In order to use auto top-up, you are required to set up the bank transfer facility detailed below on your ParentPay account. As soon as this is authorised and completed by your bank, you will be able to use the auto top-up facility. For further information visit www.parentpay.com/bank-transfer-and-auto-top-up/

Car Park reminder

When parking in the Community Hall car park we ask that all families reverse park into the spaces as this gives better visibility when moving around. Could we also ask that the reserved space for Miss Hannah is kept free on the days on the reserved board. The disabled bays should only be used by those with a disability badge or by a prior special arrangement with the school. Could pedestrians please use the footpath/grass verge to navigate your way around the car park.

Pupil absences

It is really important that you please make sure you telephone or email the school **before 9.15am** to notify us of any child absence, with a reason for their absence, even for Nursery children. on the first day of their absence, we also require a call on **each subsequent day** until they are well enough to be back Equally, we ask if your child is unwell and you have called in school. If we don't receive any communication, by phone or email, we start our process of contacting all of the

contacts allocated to your child and if we still haven't received any information, the Children Missing in Education protocol is triggered. Thank you for your cooperation with this. Any covid absences should be emailed to the covid@wrfed.co.uk email address.

Medicines in school

If you require your child to have medicine administered during the course of a school day, please complete a 'Parental Request for Medicine in School' form, available from the School Office and the school website. We are not allowed to administer any medicine without this being completed fully and signed by a parent/carer and the Headteacher/Head of School. If your child requires a course of antibiotics for example, over a period of a few days, please ensure that the medicine is handed directly into the

School Office each morning. Whilst we can administer Calpol (or similar Paracetamol-based medicines), we are not insured to administer any Ibuprofen medication sent in, unless this is prescribed by a doctor.

Attendance Matters!

Every Student, Every School, Every Day

Good attendance is linked to success in all aspects of life!

Whole school attendance target is: 97%

This fortnight whole school attendance was 94.88%

Class	Percentage
Class 1	95.64%
Class 2	94.14%
Class 3	94.76%

There were 57 children in the 100% club for this fortnight.

How can I support good attendance?

There is support if you are finding school attendance a problem, if your child is anxious or worried about going to school please do ask for help.

Every child is entitled to additional support from the school to help them engage with learning, as a Federation we have a Pastoral team that can support you as a family to achieve this. Some children may find regular support helps to improve school attendance.

Attendance top tips

- Figure out the reasons for absence as this can help you understand where your child needs support in overcoming barriers to attending school
- Try to establish a good routine early so that when your child does start school they are in good habits such as getting plenty of sleep
- If appointments are needed for health reasons, try to make them during after school hours or out of term time where possible
- Offer support with homework and take an interest in their learning
- Attend parents' evenings to discuss your child's progress
- Take trips during school holidays rather than term time
- Don't allow your child to stay off school for a minor ailment
- Ensure your child has a good understanding of why attendance is important

Emotions

What is going on with your child's emotions?
One minute they are happy the next they are talking back or having a tantrum!

Are you wondering why your child's emotional outbursts come just as you are trying to get everyone out of the door, at the end of the school day or quite frankly you know it is coming you can sense it, then BOOM!

Join Anisa (Parenting Coach) on the 7th of July for her monthly Free Parenting Clinic, this talk is focused on emotions and what we can do to support ourselves and our young people.

Join us on zoom, for the 30-minute talk.

Summer Reading Challenge - advert

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

SCIENCE MUSEUM GROUP
IGNITING IMAGINATION
INSPIRING INNOVATORS
20 YEARS THE READING AGENCY

Illustrations by Julian Benesford and © The Reading Agency 2022

Children are invited to discover the amazing science & innovation behind the world around them as part of this year's Summer Reading Challenge with the theme Gadgeteers.

North Yorkshire libraries and the Reading Agency is running the challenge for children aged 4 to 11, encouraging them to read six library books over the summer holiday period.

Gadgeteers aims to show children that science is all around them, and helps them with whatever they love doing.

To take part children need to sign up at their nearest library where they will be given a colourful fold out poster showing the setting for this year's Challenge - an imaginary community centre.

As they read their chosen books, they will receive stickers (some scratch & sniff!) and can use them to help the Gadgeteers come up with great inventions for an amazing summer party at the centre. There are more free incentives to collect along the way and those who complete the Challenge will receive a medal and a certificate to celebrate their achievement.

Children can choose from a vast range of books at the library or download them as an eBook from the catalogue. There are loads of fantastic new books about science and inventions but they can choose any six library books to count towards the challenge.

There will also be lots of great events in NYCC libraries throughout the summer, including junk modelling, Lego sessions, science workshops, art and craft sessions, storytelling and theatre performances to name but a few! Look out for more details in libraries, on local library Facebook pages and on flyers coming home via schools.

The Challenge starts on Saturday 16th July and finishes on Saturday 10th September

Football fun - advert

We are pleased to inform you that following the outstanding success of previous courses across the county, Yorkshire Football Coaching are organising the 2022 Summer Football Fun Week.

The children will be coached by CRB POLICE CHECKED and F.A. QUALIFIED COACHES who are used to working

with and bringing the best out in children. The coaches will develop self-confidence and self-esteem through encouragement and positive reinforcements. FOOTBALL IS NOT JUST FOR THE STAR PLAYERS!

The course is tightly structured with the players fully supervised at all times. All children are catered for from the absolute beginner to the more experienced players. Players are grouped together according to age, ability and experience. We have fantastic facilities including the outdoor all-weather pitches.

The course is for 5 days from 10.00am – 3.00pm with lunch from 12.15 – 1.00pm where the children can eat a packed lunch bought from home. The club is fully supervised so children may be left in our care, however parents are welcome to stay and watch if they wish to. On Friday at 2.30pm there is a presentation when parents and friends are most encouraged to come and see the players receive their awards.

The cost of the course is £80(or £20 per day if your child is attending less than 5 days). We also offer HALF-PRICE DISCOUNT (£40) for the second and subsequent children in the same family, which covers all coaching, referees, trophies, certificates and many other awards presented. ALL CHILDREN ARE GUARANTEED TO RECEIVE AT LEAST ONE TROPHY AND CERTIFICATE.

Steven Nugent (Course Co-ordinator)
