

## Chapel Haddlesey Spring Term Sports Report 2020

	Spring 1	Spring 2
Class 1	Ball skills	Ball-skills
Class 2	Hockey	Netball
Class 3	Netball	Netball
	Year 3- Year 6 5 weeks swimming	Year 3- Year 6 5 weeks swimming

### Aims

The ability to stay active for sustained periods of time.

A keen interest in PE. A willingness to participate in every lesson.

The ability to swim at least 25metres before the end of the swimming block

### Lesson Evaluations:

Class 1 – have continued to develop their fundamental skills primarily looking at ball skills – rolling, throwing, catching and passing. Using various sized balls, building individual’s confidence so as not to be afraid of the ball. Staff have observed pupils and made assessments as to individual’s abilities and next steps agreed. Next steps to continue with this skill into spring 2 as pupils are unsure of the ball, its power, speed and control.

Class 2 and 3 - quicksticks hockey was taught, looking at the basics of how to hold a stick, passing the ball whilst stationary and on the move. Weakness identified within passing and next steps for a small game highlighted. All pupils making some improvement. Class 3 were extended to small games looking for space, working as a team. Netball followed the Hi 5 netball programme looking at passing, footwork and positions on court. Pupils were working hard in the lessons very activity. Next steps to help those still frightened of the ball, by working with them in small groups, building their confidence with their passing

Year 3 to Year 6 - attended swimming lessons at Selby Leisure centre. All pupils were assessed on their first session and placed in their working group - deep end, shallow end of big pool or learner pool. Over the course of the weeks some pupils were moved up groups, all pupils completed a swimming level, some pupils practised lifesaving skills. The year 6 statistics are being evaluated for the PE funding report.

### After-schools clubs:

There was a drop in interest for sports club. It was moved to a lunch time to try and engage more pupils. Those who attended looked at fitness.

**Selby College** – The federation was involved with helping students at Selby College. This was over a 4 week period with year 3 to year 6 involved. The College students required pupils to coach for their coaching awards for their Degrees. There was a number of activities organised, which most children participated inclusively or had the activities adapted to pupils needs. Staff who attended reported back that it was very educational and enjoyable. This link will hopefully continue in the future.

**Sports Relief** – All schools across the Federation supported this event. A mile was walked around the playground as a school. Children split into house teams and netball activities were played, Boccia

was tried, The Official Gulf Coast Commonwealth Games 2018 dance was boogied. Everyone including staff and the federation dog participated, older pupils helping younger ones. A lovely atmosphere was noted and a family community seen.

**CPD:**

Staff attending the cluster events to enhance their knowledge and understanding of an offsite sporting event.

**Cluster Events:**

25<sup>th</sup> February – Quicksticks year 3/4 @ HFS - Barlow and Haddlesey attended this event. Barlow team won the competition and went through to compete in the Selby area final

11<sup>th</sup> March – Quicksticks year 3/4 Selby final @ Drax . Barlow came 3<sup>rd</sup> overall but qualified as the small schools winner for the Yorkshire final in July.

**Due to the coronavirus all our sporting cluster events have been postponed until further notice.**

**Sporting visitors:**

Joe Nally British track Cyclist visited school on 21<sup>st</sup> January for the day. He started with an assembly about his life, interests and dreams, showing clips of his success on a power point. He then moved through the classes answering questions. After enjoying a school dinner he played football with the children. As a school we thanked him for his time and all agreed what an interesting talented young man he is. Joe inspire one pupil to take up cycling and he has continued to ride most days.

Ash Randall - Freestyle football. Ash visited the school on 12<sup>th</sup> March for the day. He started with an assembly that had everyone left with their mouths open and in awe. Ash is a freestyle football champion, the tricks he can do with a football are second to none. Then it was our turn. Ash visited each year group demonstrating different tricks and then the pupils tried then out. What fun everyone had! Even staff had a go. To finish the day as a school we thanked Ash. The following day parents were reporting that they had to find footballs so their children could show them the tricks.
